To whom it may concern.

Dear Sir or Madam,

Anwesha Ramchandran has successfully completed her 4 months Fashion Master program (Fashion Styling, Trend forecasting, Fashion Design, Fashion Collection) in which she has proven to be a very fashion conscious person, throughout the program her selections of garments and accessories for each project were on point, modern, trendy and creative.

In this short but intensive period Ms. Anwesha has shown determination and ambition finishing all her projects on time and full of details, she is a fast learner, demonstrated good computer skills and diverse abilities, in particularly an ability that I personally value that is to think out of the box, if she couldn't find what she were looking for she created it.

Without reservation, I think she would be an excellent addition to your team, I have no doubts that her abilities and determination will continue to grow.

Best Regards,

Angelo Russica
Director
